

ADDENDUM TO
RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

AUG 14 1998

IN THE MATTER OF:

DOCKET NUMBER: 94-01611

COUNSEL: None

HEARING DESIRED: No

RESUME OF CASE:

The Board considered applicant's request that the retirement years ending 7 January 1984, 7 January 1985, and 7 January 1986, be changed to satisfactory years of Federal service for retirement purposes. The Board found insufficient basis to excuse the untimely filing of the application and were not persuaded that the record raised issue of error or injustice which required resolution on the merits. A complete copy of the Record of Proceedings is attached at E.

In an undated letter the applicant provided additional documentation and requested reconsideration of his application. Applicant's complete submission is attached at Exhibit F.

THE BOARD CONCLUDES THAT:

Insufficient relevant evidence has been presented to demonstrate the existence of probable error or injustice. After thoroughly reviewing the evidence of record and the additional documentation submitted by applicant, we are still not persuaded that he has been the victim of an error or injustice. The statement provided by applicant is noted; however, it does not persuade us that the applicant's civilian position prevented him from completing reserve duty. To the contrary, the statement indicates that the applicant's employer has supported him through the years as a reservist and will continue to support him in the future. While the applicant's civilian position may have made it difficult to complete reserve duty, it did not make it impossible. We find no evidence that the applicant was treated any differently than other individuals similarly situated. In the absence of evidence that the applicant has been the victim of an error or injustice, we find no compelling basis to recommend granting the relief sought in this application.

THE BOARD DETERMINES THAT:

The applicant be notified that the additional evidence presented did not demonstrate the existence of probable material error or injustice; that the application was denied without a personal appearance; and that the application will only be reconsidered upon the submission of newly discovered relevant evidence not considered with this application.

The following members of the Board considered this application in Executive Session on 4 March 1998, under the provisions of AFI 36-2603:
